ABOUT ME

I am a passionate Web Developer with expertise in HTML, CSS, Bootstrap, JavaScript, React.js, PHP, and MySQL. I thrive on creating dynamic and user-friendly web applications that enhance user experiences. With a strong foundation in both front-end and back-end technologies, I am dedicated to staying updated with industry trends and best practices. My problem-solving skills and attention to detail enable me to deliver high-quality results in a fast-paced environment.

EXPERIENCE

Currently seeking an internship opportunity to gain practical experience and apply my skills in a real-world setting.

ADDITIONAL INFORMATION

Aspiring web developer with a solid foundation in HTML, CSS, JavaScript, and React.js. Currently seeking an internship opportunity to gain practical experience and apply my skills in a real-world setting. I have also developed projects for practice, enhancing my understanding of web development.

CONCLUSION

I am passionate about web development and eager to contribute to a dynamic team. I believe my skills and projects demonstrate my commitment to the field, and I look forward to the opportunity to further my experience.
